

## Registered Optometrists

As many of you know, Linda Lochner has retired, and I - Ronel Ducci - am privileged to be the new majority shareholder of Ducci Lochner Optometrists (ta Brooklyn Optica).

I started my career at Brooklyn Optica in 1995 and have been practising here for 25 years. My partners are Marna Pieterse and Jorina Lombard - both affiliated / employed with Brooklyn Optica for more than 23 and 35 years respectively and both are qualified Dispensing Opticians.

As new owners, it is our vision to provide the same excellent service and products that you have come to know and expect from the practice over the years. My special interest is dry eye management and contact lens fittings - specifically hard and scleral lenses. Myopia management for children is also high on my list of priorities.

Jorina thrives on dispensing complicated scripts and tailored occupational and lifestyle orientated spectacle lens choices. She is also knowledgeable and trained in the art of spectacle lenses honing and fitting them into frames in our unique laboratory.

Marna's area of expertise lies with practise management, and she ensures that everything runs smoothly behind the scenes.

I would like to thank Linda Lochner for the wonderful mentor that she was over the last 25 years. We all learned a great deal from her.

Jorina, Marna and I are excited about this new chapter of Brooklyn Optica and look forward to growing with you, as part of our loyal family.

Regards,  
Ronel Ducci

## Registered Optometrists

Soos baie van julle weet, het Linda Lochner afgetree, en ek - Ronel Ducci - is bevoorreg om die nuwe meerderheidsaandeelhouer van Ducci Lochner Optometriste (handeldrywend as Brooklyn Optica) te wees.

Ek het my loopbaan by Brooklyn Optica in 1995 begin en praktiseer al 25 jaar hier. My vennote is Marna Pieterse en Jorina Lombard - albei geaffilieer / werksaam by Brooklyn Optica vir meer as 23 en 35 jaar onderskeidelik en albei is gekwalifiseerde Optikuste.

As nuwe eienaars is dit ons visie om dieselfde uitstekende diens te lewer en gehalte produkte te verskaf soos ons al jare doen. My spesiale belangstelling is droë-oog behandeling en kontaklens passings – spesifiek harde en sklerale kontaklense. Miopiebeheer vir kinders is ook hoog op my prioriteitslys.

Jorina floreer daarin om ingewikkelde voorskrifte en beroeps- en leefstylgeoriënteerde brillenskeuses te maak. Sy is ook kundig en opgelei in die kuns van brillense slyp en om dit in rame te pas in ons unieke laboratorium. Marna se kundigheidsgebied lê by praktykbestuur, en sy sorg dat dinge agter die skerms glad verloop.

Ek wil Linda Lochner bedank vir die wonderlike mentor wat sy die afgelope 25 jaar was. Ons het almal baie by haar geleer.

Ek, Jorina en Marna is opgewonde oor hierdie nuwe hoofstuk van Brooklyn Optica en sien uit daarna om saam met julle, ons lojale familie, te groei.
